Storage Cabinets
Storage Cabinets Are Not All Created Equally

If you thought storage cabinets were all the same, think again. Tennsco storage cabinets offer a real difference. Whether your application involves office, industrial or general storage, you'll be impressed by Tennsco Storage Cabinets in their quality construction, good looks and long term performance.

Select from the following types of Storage Cabinets:

- Standard Storage Cabinets
- Deluxe Storage Cabinets
- Jumbo Storage Cabinets
- C-Thru Storage Cabinets
- Specialty Storage Cabinets

And, Tennsco’s powder-coated paints, which emit no off gases, coordinate with any work environment while offering a long lasting attractive finish. (See back cover for representation of available colors and to learn more about our indoor certification.)

Just compare the standard features that all Tennsco Storage cabinets offer.

1. **Adjustable Shelves**
   - Shelves adjust in 2" increments without tools.
   - Integrated shelf support tabs secure shelves tightly to cabinet without clips or added parts which adds rigidity and prevents small items from falling over edge or rear of shelf.

2. **Reinforced Doors**
   - Each door* incorporates an extra wide reinforcement that is welded for added strength and stability.
   *Except C-Thru

3. **Three-Point Locking**
   - Just turn the handle and doors lock at three points for maximum security. Nylon guides help make operation quiet.

4. **Chrome Handles**
   - Attractive polished chrome handles (standard cabinets) or brushed chrome handles (deluxe cabinets) lock doors securely and allow easy opening and closing with a single turn.

5. **Raised Base**
   - Cabinet Bases use "box" construction for added overall stiffness. The raised base also keeps materials out of harm's way from cleaning liquids.

6. **High Security**
   - Standard or high-security locks are available. Keying options include standard keying, master keying (one key fits all storage cabinets) or single-key (allows all of your Tennsco products* to be opened by one key).
   *Excludes Tennsco Glass Door Bookcases.

7. **Shelves adjust in 2" increments without tools. Integrated shelf support tabs secure shelves tightly to cabinet without clips or added parts which adds rigidity and prevents small items from falling over edge or rear of shelf.

8. **Wood Laminate Top**
   - Self-edged laminate top adds a work surface and provides a polished, finished look. Available in Sable Oak.

9. **Fully Assembled or Ready-to-Assemble**
   - While fully assembled cabinets arrive ready to use, most of our cabinets can also be ordered ready-to-assemble – a great way to save money. All you’ll need is a flathead screwdriver, hammer, and an included nut driver.

10. **Recessed Handle**
    - Optional recessed handles for selected models of Standard and Deluxe cabinets offer easy access with-out obstructions protruding into narrow aisle ways.

11. **Caster Kit**
    - Add mobility to Standard, Deluxe, and Jumbo (24" deep only) cabinets. Perfect for offices and other areas where materials need to be secured yet accessible at different locations. Adds 6½" to cabinet height.

**OPTIONS**

- **Wood Laminate Top**
- **Recessed Handle**
- **Caster Kit**
Storage Cabinets for Office & Industrial Applications

**Jumbo Storage Cabinets**

- Adjustable Shelves
- Leaf-Hinges
- Three-Point Locking
- Built-in Shelf Support
- Size Options
- Reinforced Doors
- Two Brushed Chrome Handles
- Raised Base
- Two Adjustable Levelers
- Heavy Gauge Steel

Jumbo Storage Cabinets are ideal when you need extra capacity for those "big" storage problems. Our specially engineered shelves utilize box-formed construction to accommodate heavy loads even with the extra wide shelf span.

**Deluxe Features:**
- Adjustable Shelves
- Leaf-Hinges
- Three-Point Locking
- Built-in Shelf Support
- Size Options
- Reinforced Doors
- Two Brushed Chrome Handles
- Raised Base
- Two Adjustable Levelers
- Heavy Gauge Steel

**Deluxe Storage Cabinets**

Our Deluxe Series Storage Cabinets have set the standard for quality, convenience and performance for over thirty years. Premium quality steel throughout and 16 Gauge door frame construction combined with four knuckle hinges make these the most rugged cabinets of their kind.

**Deluxe Features:**
- Adjustable Shelves
- Leaf-Hinges
- Three-Point Locking
- Built-in Shelf Support
- Size Options
- Reinforced Doors
- Two Brushed Chrome Handles
- Raised Base
- Two Adjustable Levelers
- Heavy Gauge Steel

**Standard Storage Cabinets**

Our standard series cabinets offer many special features of the Deluxe, including heavy-duty construction, three-point door locking mechanism, raised bottom and built-in shelf support tabs. All at an exceptional value. It's the perfect choice for office or industrial applications.

**Standard Features:**
- Adjustable Shelves
- Three Leaf-Hinges Per Door
- Three-Point Locking
- Built-in Shelf Support
- Size Options
- Reinforced Doors
- Chrome Handle
- Raised Base

**C-Thru Storage Cabinets**

In today’s security conscious environment, the need to know the contents of cabinets may be important. Tennsco’s C-Thru Cabinet allows visual inspection and scrutiny without opening the cabinet.

Available in Deluxe, Standard, and Jumbo versions.

**Select the cabinet that meets your needs.**

**DELUXE STORAGE CABINETS**

**JUMBO STORAGE CABINETS**

**C-THRU STORAGE CABINETS**

Available Types:
- Deluxe (pg.6)
- Jumbo (pg.8)
- Standard (pg.12)
- C-Thru (pg.14)
Deluxe Storage Cabinets
Our Premium Storage Cabinet
Tennsco Deluxe Storage Cabinets set the standard for quality, convenience and performance for over 30 years. Deluxe cabinets can be used anywhere and stand up to a lifetime of heavy use. This cabinet uses heavy gauge steel throughout and 16 gauge steel for the door frame. The combination makes this cabinet a clear winner over lighter duty products. Choose from assembled or unassembled versions.

**Deluxe StOrage Cabinet**

**Deluxe COmbinatiOn Cabinet Size OptiOnS**

**Deluxe WarDRObe Cabinet**

Adjustable levelers & knuckle hinges

Two adjustable levelers compensate for uneven floors. For secure and smooth operation, Deluxe cabinets use four knuckle hinges on each 78” high cabinet door and two on 42” high doors.

Double handles

Two brushed chrome handles, with one that locks both doors, make door opening and closing easy.

Louvered back panel

Louvered back panel provides cabinet ventilation by allowing air circulation.

Deluxe cabinets can be used anywhere and stand up to a lifetime of heavy use. This cabinet uses heavy gauge steel throughout and 16 gauge steel for the door frame. The combination makes this cabinet a clear winner over lighter duty products. Choose from assembled or unassembled versions.

Select from two depths; 18” or 24” deep and two heights; 42” and 78” high units. All units 36” wide.

Jumbo Storage Cabinets
Our Largest Storage Cabinets offering 48" Wide Capacity

Need extra capacity for those “big” storage problems? Tennsco’s 48" wide x 78" high cabinet provides 33% more storage space than a normal 36" wide cabinet.

Our specially engineered shelves utilize box formed construction to accommodate heavy loads, even with the extra wide shelf span. Each extra wide door rides on four heavy-duty leaf-hinges while a three-point locking system ensures secure storage for even the bulkiest materials. Integrated levelers keep the unit level on uneven floors. Choose from assembled or unassembled versions.

This cabinet combines welded box-formed shelves, which are securely attached to a heavy gauge steel housing by six shelf tabs making this cabinet a clear winner over inferior offerings.

Two brushed chrome handles, with one that locks both doors, make opening and closing of the dual swing-out doors easy.

Two adjustable levelers compensate for uneven floors and keep the doors properly aligned.

Cabinet bases utilize “box” construction to prevent racking while allowing easy access to the bottom shelf.

The Jumbo 48” Combination Storage Cabinet model offers a wide variety of storage options. Adjustable cabinet shelves are engineered with welded box-formed construction and lapped and welded corners. Shelves attach to the cabinet in six locations to allow up to 400 lbs. of weight per shelf.

Cabinet doors are constructed with reinforcement panels to accommodate the larger 48” width.

Casters and Handle Options
Add mobility to your 42” h Jumbo cabinet with an optional caster kit and optional handle.

Sliding Doors is the perfect solution for restricted space areas such as hallways and add only 3½” depth to cabinet.

Jumbo Cabinets are offered with C-Thru door options; refer to pages 14-17 to learn more.

Jumbo Cabinets are offered with C-Thru door options; refer to pages 14-17 to learn more.
Tennsco’s Standard cabinets are built with premium quality steel and reinforced doors for long term performance at an attractive price.

Dual swing-out doors ride on heavy-duty leaf-hinges. Larger size cabinets use three hinges to assure doors stay aligned.

Attractive polished chrome handle with lock activates the cabinet’s three-point locking system for added security.

Select from two depths; 18" or 24" deep and three heights; 30", 42" and 72" high units. All units 36” wide.
Clear acrylic door panels offer visibility to stored contents without the need to open the cabinet.

C-Thru Storage Cabinets can be ordered with either Standard, Deluxe or Jumbo cabinet features. (See pages 3 thru 5 for more information.)

Now you can fuse components and documents in one unit. Our Storage/File Drawer Cabinet offers ample space for applications that have unique storage needs. Locks on cabinet and drawer are keyed the same for easy and safe security.

1. Easy Access Shelves
   Locking tabs are spaced evenly allowing for easy adjustability.

2. Deep Shelf Space
   Our 18” deep shelves provide ample room for holding large books and manuals.

3. Reinforced Doors
   Each door incorporates an extra wide reinforcement stiffener that is welded for added strength and stability.

4. Three-Point Locking
   Just turn the handle and doors lock at three points for maximum security. Nylon guides help make operation quiet.

Now you have a choice with Tennsco’s Welded Combination Bookcase/Storage Cabinets. Choose to place valuable materials in the lower cabinet that can be locked or place everyday materials at your fingertips using the upper shelves of the bookcase.

Safely Store Items in Lower Cabinet or Exposed Shelves

1. Easy Access Shelves
   Locking tabs are spaced evenly allowing for easy adjustability.

Specialty Cabinets
Our Unique Application Cabinets

60" and 66" High Storage Cabinets

When your application presents height restrictions, our new 60" and 66" high cabinets are the perfect fit! Both storage cabinets are available 36" wide and 18" and 24" deep. Choose from either our combination or standard cabinet, both feature heavy gauged steel throughout, for years of use.

72" High Laptop Charging Station

Our Laptop Charging Station is the ideal solution for charging multiple laptops in one convenient cabinet. Both sized cabinets feature perforated doors which allow heat to dissipate, providing a safe environment.

66" High Combination Storage Cabinet

Choose from either our 72" high unit which features 32 outlets or our 42" high unit which features 16 outlets. Both electrical power strips feature a power switch and a 15 amp circuit breaker with a reset button.

66" High Storage Cabinet

42" High Laptop Charging Station

Adding mobility allows the cabinet to be where you need to be; available on both our 42" and 72" high cabinets.

60" High Storage Cabinet

Reference Shelf

Create an instant workspace with our pull-out reference shelf; only available on our 72" high cabinet.
78" High Storage Cabinet for Bin Box Storage

Ideal for small component storage, our Storage Cabinet with bin rails allows you to attach bin boxes to keep your inventory organized and out of sight. The cabinet at 78" high is large enough and tough enough to hold an assortment of different sized bin boxes. Only available fully assembled.

Compartmentalize your items with the use of bins. Bins rails accommodate plastic or metal bins.

Bin rails adjust on 2" centers, providing flexibility to store a variety of bin heights. Bin rails are connected with a snap-in rivet design, so no tools are needed.

78" HIGH PERFORATED JUMBO CABINET

Storage Cabinets with Perforated Doors

Tennsco Storage Cabinets with Perforated Doors provide visibility and ventilation. They are perfect for applications where personal belongings need to be securely locked but vented. Perforated Doors are available on our 72" high standard storage cabinets and our 78" high jumbo cabinets.

72" HIGH PERFORATED CABINET
All Tennsco’s Storage Cabinets are electrostatically painted with a tough, long lasting powder finish to ensure years of lasting beauty. Choose from five standard finishes.

**Standard Colors**

- Sand (214)
- Champagne/Putty (216)
- Light Grey (53)
- Medium Grey (2)
- Black (3)

Finishes shown above are representative of the actual finishes. Please contact your local Tennsco dealer for more precise color swatches.
